

10/11–10/13 Cincinnati and Northern Kentucky Spotlight Weekend

As part of the 2024 Biennial, FotoFocus is featuring a number of Neighborhood Spotlight Weekends: Opportunities to visit multiple Participating Venues in certain geographic locations on a day when artists, curators, and more will likely be present, along with other neighborhood activities—a great chance to dive into the energy of the Biennial and map out a plan to get to venues in a year with such a chock-full exhibition list. Each weekend, you're invited on a journey through art and the communities hosting it.
